## THE DAUPHIN ART GROUP

The painting & drawing instruction offered by our Art Group is structured for those who want to learn about painting/drawing/mixing colours.

Steve Gouthro, MFA, who teaches in the faculty of Fine Arts at Brandon University will meet you wherever you are in your artistic journey.

His teaching encompasses all media, oils, acrylics, watercolour, pen & ink, charcoal, graphite & how to use/mix your colours, set up your palette, paint, or draw. He welcome those of you at the beginning of your visual art journey as well as those of you who are well along in your chosen media, interested in developing your own paintings/drawings.

Classes are held in the Fire Hall at the Art Centre where we are affiliate members. This art group is one of the oldest groups ongoing at this facility, with Dr Vern Watson, whom the Arts Centre is named after, being the first to offer painting and

drawing instruction to people from this area in the 1960's.
