Policy

Mentoring Artists for Women's Art collects personally identifying information only when it is knowingly provided, and uses it only for the purposes for which it is provided. This information remains strictly confidential, and is not shared with other individuals or organizations without consent.

Procedure

If MAWA is asked for contact information regarding a member, MAWA does not provide it. MAWA does, however, endeavour to contact the member and provide them with the contact information of the person making the query, providing the query is related to a professional matter, and the person making the query consents.
